Daphne Police Station to open at Jubilee Square

The Daphne Police Department is opening a new precinct in the Jubilee Square Shopping Center at the intersection of Interstate 10, Highway 98, and Highway 90.

Daphne, AL— AIG Baker, developer of Jubilee Square Shopping Center in Daphne, AL, announces the opening of the new Daphne Police North Precinct as part of their ongoing community involvement program. AIG Baker has worked hand-in-hand with the City of Daphne to design and build the new police precinct as a proactive measure to help maintain low crime rates in the surrounding area.

At just under 2,000 square feet, the North Precinct will be used by the Daphne Police Department as office and meeting space. The precinct will provide the officers a location for shift changes and handling paperwork.

A formal dedication ceremony will be held at the new North Precinct location between Hobby Lobby and Home Depot at 10:00 AM on Tuesday, July 11th. Not only will the precinct increase police presence in the shopping center, but it will also allow the Daphne police to operate in a more effective and efficient manner.

"The Daphne Police Department is excited about the opening of the north precinct located in the Jubilee Square Shopping Center. This precinct will be used to house the entire Patrol Division. Because of this precinct, there will be a huge police presence in this shopping center and the entire north end of the city. On behalf of the Daphne Police Department, I want to thank AIG Baker for their commitment, patience, and hard work to make this precinct something the City of Daphne can be proud of." - Captain Scott Taylor, Daphne Police Department

The new North Precinct joins a diverse mix of national tenants situated along the shores of Mobile Bay. Hobby Lobby, one of the largest national home décor retailers, and a spacious new area for restaurants and retail shops, known as "Main Street at Jubilee Square", are the newest additions to the burgeoning retail area that is quickly turning the Eastern Shore into a popular location for retailers.

Once a small frame shop, Hobby Lobby now operates 362 stores throughout 28 states. Hobby Lobby provides supplies for all ages, including picture-framing, jewelry-making, and other popular and unique hobbies and crafts. In addition, the retailer

features home accents and holiday décor, along with cards and party supplies to plan special events.

Located next to Hobby Lobby, Main Street is lined with 20,000 square feet of new restaurant and retail space and is accented with beautiful plaza areas perfect for outdoor seating. Spaces range in size from 1,000 to 5,000 square feet.

Jubilee Square is located in Daphne at the intersection of Interstate 10, Highway 98, and Highway 90. The center is currently anchored by Books-a-Million, Pier 1 Imports, Rack Room Shoes, Goody's, T.J. Maxx, Stein Mart and Rave Motion Pictures.
